Term 3 2017 Edition 2

Woolies Earn and Learn 2017

Thank You to all the families and friends who have been dropping the Earn and Learn sticker sheets into the Campus collection boxes (at Woolies Store at the Hub, Thiele, Pilgrim, Nativity and Campus Offices). To date, we have collected over 14000 stickers. With a week to go (campaign concludes on the 19th September), we would love for you to continue shopping at Woolies as we need more stickers!

We are hoping to earn some new STEM (Science, Technology, Engineering and Maths) resources to add to the Library. The items below are on our Wish List and if we have to purchase them, it will cost the Campus over \$6000.

The LEGO Education WeDo 2.0 Curriculum Solutions (pictured left) include a range of learning materials that enable teachers to deliver hands-on, playful learning experiences for our students.

The LEGO MINDSTORMS EV3 Core Set (pictured right) contains what we need to engage our students in exciting computing, technology, engineering and maths lessons. It enables them to build, program and test their solutions based on LEGO® building elements combined with real-world robotics technology. The set contains the EV3 Intelligent Brick, a compact and powerful programmable computer that makes it possible to control motors and collect sensor feedback using the intuitive icon-based programming and data logging software that is delivered with the set.

Campus Sports—Pedal Prix

**Aberfoyle Park Primary School Campus Pedal Prix Team
invites the Campus Community to the**

2017 Australian International Pedal Prix 24 Hour Race

When: 12 noon Saturday 23 September – 12 noon Sunday 24 September

Where: Sturt Reserve, Murray Bridge

Campus Tornadoes have been allocated pits 185-187 **Pit D** at the northern end of the track.

There will be 216 trikes racing continuously over the 24 hours!

Watching Campus students race against other schools in the biggest race of its kind in the southern hemisphere is an awesome day out and a great way to see how exciting and rewarding it is for students to participate in Pedal Prix.

We are racing 3 trikes this year, Primary School Category 1—Rocket, Secondary School Category 2—Stinger and Open team Category 4—Wild One.

We look forward to welcoming you to join us amidst the excitement

Campus Sports— Soccer and Netball Season

Campus Soccer and Netball season is coming to an end for 2017. Well done to all the students who participated in this season and all the parents who brave the wet and the cold to support your children. We would not be able to deliver these sports programs without the hard work and dedication of the Coordinators. So Thank You to Maria A and James B for their time, dedication and hard work in ensuring Soccer and Netball have a successful season.

Reminder to all Soccer and Netball families that season breakup is on the **Saturday 16th September at 9:00am on the top Oval and under the COLA**. If you have not placed your sausage or bacon and egg order, please do so Wednesday 13th September to the Campus Front Office. If you have not received the order form, please contact Bianca at the Campus Front Office.

Physical Education (PE) Week—Term 4

Have you heard of the Colour Run? If you have, you would certainly know how much fun participants have in this event whilst raising money for a worthy cause.

In term 4, for PE Week, the Campus is hosting our very OWN Campus Colour Fun Run! There are also other activities lined up for PE Week in addition to the Campus Colour Fun Run so watch this space!

The Campus Colour Fun Run is our last fundraiser for 2017 so we do ask for your support. The more money we raise the more resources we can purchase to be included in the Library when the Library refurbishment takes place.

Students obtain donations from family and friends, earn exciting reward prizes according to the amount of money raised which ends in a blast of colour... the School Colour Fun Run!

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely wash out of your child's clothing, however we recommend that your child wears a white shirt that you don't mind being coloured. That's what the event is all about!

We will release more information about this event in the coming weeks!

Students who raise as little as \$10 or more will receive an incentive prize for their efforts and there are over 70 prizes on offer.

You can also register for **online fundraising**. It's the easiest way to boost your funds raised and to achieve your fundraising goal sooner. The average raised per student using online fundraising is a staggering \$115. Achieve that and more and there's an awesome prize right there!

Thank you in advance for your participation, and get ready for a **BLAST OF COLOUR!**

A prize chart for the CUA School Fun Run. At the top left is the 'CUA SCHOOL FUN RUN' logo. At the top right is a speech bubble that says 'RAISING JUST \$10 FOR YOUR SCHOOL WILL GUARANTEE YOU A PRIZE!'.
